Mrs. E. A. Harrison gave a luncheon Friday at the Country club, the party being the second of a series of pre-nuptial affairs in compliment to Miss Effie Bainter, who will be married to Mr. George Calvin, of Kansas City, November 30. Covers were laid for: Miss Bainter, Mrs. George W. Bainter, Mrs. T. J. Myers, Mrs. Fred Davis, Mrs. Don Mulvane, Mrs. Frank Griggs, Miss Beas Resegule, of Chicago, Miss Eugenia Quinton, Miss Ethel Aldrich, Miss Gladys Scott, Miss Hazel Howe and Mrs. Harrison.

The luncheon table was decorated in autumn colors, and the centerpiece was a yellow chrysanthemum. Miss Bainter, the guest of honor, wore one of her trousseau dresses, a pretty afternoon party gown, of blue silk.

Mr. and Mrs. George W. Bainter issued invitations Friday for the wedding of their daughter, Effie Heath, to Mr. George Brown Calvin, to take place Saturday afternoon, November 30, at 6:30 o'clock, at the Bainter home, 515 Topeka avenue. At home after January 1, at 523 Gladstone boulevard, Kansas City, Mo.

Miss Best was a Washburn college student and a Sigma Delta girl.

A drawing is shown today of a smart wool ratine coat suit with contrasting trimmings of silk. The medium length coat is semi-fitted, with long rolling revers and Robespierre collar. The low front closing of the coat gives excellent opportunity for display of the many dainty jabots and

neck trimmings which are a fashionable necessity. The rolling cuffs, collar, revers and band which borders the bottom of the coat are of the silk. This is to be the last rushing party of the season for the society. The autumn colors will be used in decorating the tables, and covers will be laid for 25 guests.

Announcement has been made of the engagement of Miss Edna Williams and Mr. Ralph Cuttill, of Chicago. It is of interest to Topeka people, for Mr. Cuttill formerly lived here, and is the son of Mr. and Mrs. B. P. Cuttill, 1233 Western avenue. He is now Santa Fe ticket agent in Chicago. Miss Williams made a short visit to the Cuttill family in Topeka last summer, and at that time met a number of her fiancé's friends. The wedding will take place in the early part of next summer.

A model for a winter coat suit for a young girl was the subject for the sketch above. This was made of that most versatile of materials, the again popular corduroy in a pretty shade of grey blue. An odd closing effect is shown on the coat, the same line being followed on the skirt. Bus bands of self-tone taffeta are used to

form pointed tabs which decorate the front of coat and skirt. The wide rolling collar is of the taffeta and the full length sleeves are trimmed with the same. Fancy buttons in self-tone assist in trimming. With this was worn a wide brimmed picture hat with crown of velvet and brim-facing and bow of the taffeta.

A reception was given Friday night at the Governor's House by the Y. M. C. A. for Mr. Harry O. Adams, of San Paulo, Brazil, and Mr. Arthur Rugh of China. Mr. Hill is taking his first vacation from his work in the Y. M. C. A. in Brazil. Madame Schumann-Heink, who sang in Topeka this week, gave a concert in Chicago for the benefit of the suffrage league. Her charity and her kind friendliness have made her the best liked of all the great singers. In Topeka she granted an interview with a young singer, Miss Mildred Western. She talked to her about her musical training, and frankly encouraged her. She also gave Miss Leeper her address in Chicago and invited her to call on her at her home, and urged her to visit her at any time she might return to Topeka. Miss Leeper obtained the interview through her teacher, Mrs. P. H. Adams, who is personally acquainted with Madame Schumann-Heink. Mrs. Adams studied under O'Neill, who taught some of the famous singers of the day, many of whom she knows. Her son, Quinton Adams, was a fellow student, friend and fraternity brother, at Purdue university, of Madame's son, Ferdinand Schumann, who is now traveling with her as her manager.

A dainty chiffon blouse is the subject of the sketch today. It was of leaf brown chiffon made up over deep cream silk. Before being made up the chiffon had been laid into groups

of tiny tufts, an arrangement which contributes much to the airy effect of the bodice. Puffed satin bordered by cream lace insertion is introduced on shoulders, cuffs and as a center panel in front, tapering toward the neck. This panel and neck are piped with brown satin, which also covers the tiny buttons used as trimming. This blouse would be beautiful worn with a brown velvet tailored suit.
